GUESTS

Marie Brines of the Macoupin County Public Health Department briefly discussed food safety and questioned Board members as to the causes of food born illnesses. Cold foods should be kept at 41 degrees and hot food at 140 degrees for safety purposes and the most important factor was to wash your hands before you eat and to wash them for at least twenty seconds.

COMMITTEE REPORTS

The **Agriculture Committee** met on June 14, 2007. The purpose of the meeting was to finalize plans for cleaning the Stults Cemetery. After discussion, there was a motion by Long and seconded by Harding to hire Anthony Pomatto to clean the Stults Cemetery. Then there was a second motion by Herschelman, seconded by Quarton, to pay Pomatto \$8.00 per hour, not to exceed \$2,000.00, for clean-up of the cemetery, in addition, he would submit a bill for gas for the operation of equipment used for the clean up. The Committee also agreed to meet the first Tuesday of the month at 1:00 p.m. It was also learned at this meeting that there were two farm leases, one with Lippolds and one with Rosentretters and an additional farm ground lease existed with CISCO which is a 97 year lease. Motion by Long, seconded by Nickelson, to approve the minutes as reported. All in favor, motion carried.

The **Judicial Administrative Services Committee** meeting was held June 16, 2007. The Committee discussed the responsibilities of the Docket Clerk position. Judge Deihl told the Committee that the position is needed in order to fulfill needs of all three judge positions in the county. Which office, Circuit Court or Circuit Clerk, oversees the position is not of concern as long as the Docket Clerk duties are maintained. There was a motion by Watson, seconded by Novak, to recommend to the Finance Committee of the County Board that the position of Docket Clerk not be funded in Fiscal Year 2007-08 budget upon becoming vacant. The motion carried. There was further discussion regarding budget and the traffic violation fee account and Judge Deihl will meet with Thomas, Chairman of the Finance Committee to further review the Court's expected budget for 2007-08. Chairman Manar requested an accounting of all year-to-date expenses for court appointed attorneys. Motion by Thomas, seconded by Coatney, to approve minutes as written. All in favor, motion carried.

The **Ad-Hoc Building Committee** met June 18, 2007. The purpose of the meeting was to review the easement proposal, finalize purchase contract, review draft from Dennis Schuette and update on property setback line. The Committee discussed the possibility of relocating the elevator and also Chairman Manar will forward Roger Goodman the County's right of refusal regarding the property to the east. The Committee voted to amend the language proposal to reflect 60 days rather than 40 days. Watson explained that additional time is necessary should the property to the east come up for sale simply because it takes time for the County Board to act. Motion by Bellm, seconded by Pratt, to approve the minutes as written. All in favor, motion carried.

The **Sheriff's Building and Grounds Committee** meeting was held on June 20, 2007. The Sheriff has received bids from three architectural firms regarding the preservation of the Courthouse. All three agencies have offered to seek grants once they are committed to the project. The Ordinance Regulating the Granting of Permits for Pyrotechnic Display Fireworks and Consumer Fireworks Displays which was adopted by the full Board at the June meeting was discussed and the Committee unanimously agreed with the adoption of the Ordinance. Sheriff Albrecht reported there are sufficient funds to complete the current fiscal year, however, the payroll line item will be close due to the fact three employees "cashed out" this year. He discussed the possibility of including a projected cost for a "cashed out" line item for FY 2007-08. Motion by Herschelman, seconded by Zirkelbach, to approve minutes as reported. All in favor, motion carried.

On June 25, 2007, an **Agriculture Committee** meeting was held. The farm leases were discussed. This lease shall be automatically renewed unless either party desires to terminate the lease and gives the other party written notice as hereinafter provided. Harding was of the opinion that more recent Farm Leases had been approved and requested Char Taylor contact Brent Cain to inquire if copies or more recent leases were on file in his office. The Committee discussed advertising for bids for leases and requested Char also discuss the matter with Brent Cain as well as requesting him to attend the next Agriculture Committee meeting. The Committee also discussed Stults Cemetery and Committee members visited the cemetery. The Committee agreed that there is no road to get to Stults Cemetery and it is necessary for a road to be built before the clean-up project can begin. Harding reported the township is looking into putting in culverts to get a road to it. They are also in the process of forming a Cemetery Board. Motion by Keil, seconded by Nicholson, to approve the minutes as written. All in favor, motion carried.

The **Liquor Commission** met on June 26, 2007. The Liquor Commission issued ten Liquor Licenses for 2007-2008. They informed the Committee that they have 13 varieties of grapes and produce over 800 gallons per year. They have been selling grapes to Utica, Illinois, but would now like to begin selling wine. The Committee voted to issue a temporary Liquor License to the Beckers for their vineyard pending the update, revision, modification, and inclusion of a Liquor License for Vineyards in the current Resolution. The Committee discussed the fee for a temporary License for the vineyard since the annual Liquor License fee is \$600.00, but decided to charge the full \$600.00 fee. However, upon the revision and approval of the Resolution, a reimbursement will be made to the Beckers, if necessary. The Committee discussed the possibility of changing the day of the monthly Committee meeting in order to have it better coincide with the receipt of many of the monthly bills. No action was taken.
